

Undergraduate Medical Education
UNIVERSITY OF TORONTO

June 30th, 2011

Dear Medical Radiation Sciences Students,

Congratulations on your acceptance to the Medical Radiation Sciences Joint Program, Faculty of Medicine, University of Toronto & The Michener Institute for Applied Health Sciences. On behalf of the Office of Health Professions Student Affairs (OHPSA), I welcome you. We provide a wide range of services and programs to health profession students, including personal & learning skills counselling, MRS coaching, as well as extracurricular/service learning opportunities. This is in addition to the excellent counselling services provided by the Student Success Network at The Michener Institute.

Furthermore, we can assist with academic/learning accommodation needs, access to services, and information regarding immunization status, through the OHPSA.

I encourage you to contact the office if you would like to pursue any of the services and support. Please call 416-978-2764 to schedule an appointment.

Warmest regards,

Leslie Nickell, MSW, MD, CCFP
Associate Dean, Office of Health Professions Student Affairs
Faculty of Medicine, University of Toronto
